

Ministry Experience Scheme (MES) Pastoral Assistant positions

Applications are to the Scheme.

The Scheme is designed for candidates from anywhere in the Church of England seeking experience in the Diocese in Europe as part of their vocational journey to ministry and discipleship in the Church of England.

Several churches (in Belgium, Netherlands, Spain, Switzerland, Portugal, Austria, Germany) have expressed interest in hosting an intern from September 2023. In arranging placements for people this year we will also need to take account of restrictions that may arise (especially for UK passport holders) due to the UK's departure from the European Union. We hope however to make 6 appointments.

Please respond to the following questions honestly and fully.
