Buy a pew

A number of people have expressed an interest in buying the pews - and naturally the interest is in the shorter pews, which account for about only 25% of the total (30), rather than in the majority, which are over 14 feet in length.

The pews are of solid oak, and the cost and practicality of shortening the longer pews to desirable lengths, and perhaps making use of the remaining wood, is being investigated. Any costs incurred, including delivery, will be defrayed across sales.

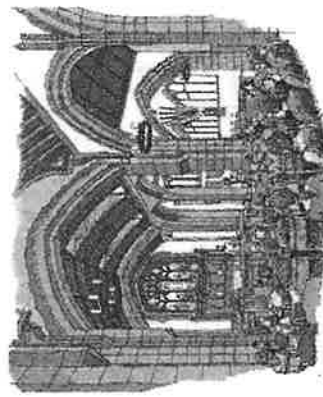

If you are interested, please email the Parish Office (~~.....~~), cc ~~.....~~ (~~.....~~). You will be contacted directly once the prices have been calculated.

New ways to support your church

Preparations for the redevelopment of St Andrew's ~~church~~ are now well underway.

Thanks to God's provision and the generosity of many members of our church family, we now have the money or commitments we need to pay for Phase 1. But we are still a bit short of available cash.....

So we would like to encourage everyone in the church to consider making a contribution to a number of specific items we need to order over the next few weeks.

Whether you have already contributed, or not, please prayerfully consider contributing to one of these specific needs.

Yours most sincerely,

Revd ~~[illegible]~~

New chairs - £200 each

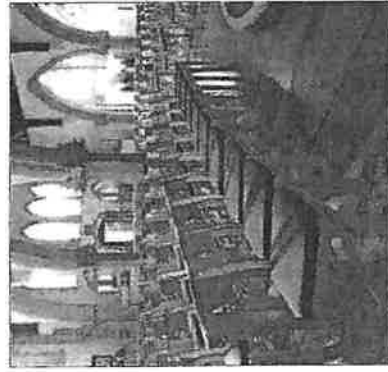

We need to place an order for 200+ chairs, at an average cost of £200 each.

Would you be able to make a donation to help fund the cost of one or more chairs?

We're not going to be putting names on the chairs, but we thought you might find it helpful to be able to contribute in this way.

The chairs themselves will have an upholstered seat on a solid wood frame. The back panel of the chairs will have a motif for St Andrew's and they will accommodate books and our existing kneelers.

Similar chairs at St Paul's, ~~[illegible]~~

New screens - £500 each

We are going to be ordering two new LCD screens (one for the clergy to use and one to go in the Lady Chapel) in order to improve how we can present words and pictures to the whole congregation.

The screens cost about £500 each. Would you be able to make a donation with one of these in mind?

The new font - £2000

There will be a number of new items of reverential furniture, including a new font. This will have its 'home' location, but will also be capable of being moved to the centre of the nave, or into the Lady Chapel.

You may like to make a donation with the new font in mind.

A sound investment

We are going to install new audio/visual equipment, such as a new projector, overhead screen, etc.

Items on this list range from £10 to £1,000.

They will help everyone see and hear more clearly, and you may like to give a gift with this new equipment in mind.
