

# Making the most of Digital Giving at Christmas

Juliet Evans  
Diocesan Fundraising Adviser  
October 2025

Fundraising and giving | Diocese in Europe  
[juliet.evans@churchofengland.org](mailto:juliet.evans@churchofengland.org)

Lots of info here – but:  
it's about doing 'just one thing' and doing it well.

If you are stuck, I may be able to help create posters  
and card reader screens for you...

# (Digital) Giving at Advent & Christmas

Giving at Christmas: 

“50% of people say they always/usually give to charity at this time of year (74% give money)”

Digital Giving Rollout:

£20,000 - December 2024

£100,000 - total 2024

£110,000 - so far this year

Donations for both church & charities

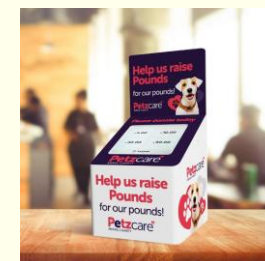

An opportunity to engage with your community

# Overview of Digital Giving

- **Contactless :**

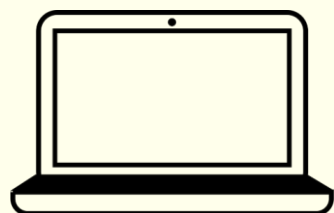

Donation made at a contactless donation device, using a bank card or some kind of smart device (e.g., Apple Pay on iPhone/watch).

- **Online:**

Webpage accessed via an internet browser.

Allows people to give online using their card or Apple/Google Pay.

# If you don't have a device or online giving...

'Easy' option if you don't have anything, but I would recommend looking at the previous options for your chaplaincy. **A LOT of people do not nominate a chaplaincy when giving through JustGiving!**

Diocese in Europe THE CHURCH OF ENGLAND

## Thank you for visiting us

May you find peace and hope in this special place of worship

If you would like to, it's easy to offer a donation to support our work and maintain this beautiful building.

1. Open the QR code or visit <https://www.justgiving.com/diocese-ineurope> This will take you to the Diocese in Europe's Justgiving page.

2. Make your donation.

3. Please then type the name of our church and the town/city in the 'Add a message of support' box. This will ensure that your donation directly benefits our church. THANK YOU!

JustGiving

"Be still and know that I am God..." PSALM 46:10

## JustGiving™

- Multiple currencies
- Gift Aid
- Via the Diocese – but people **MUST** nominate a chaplaincy

- #1: Card reader devices
- #2: Online giving, QR codes & links
- #3: A Church Near You (online giving)
- #4: Christmas campaign branding
- #5: General communications

# #1 Card reader devices

- Make sure the device is charged...
- ... and it is working before the service!
- People to help out/stand near machine – if needed
- Security
- Location
- Donation amounts

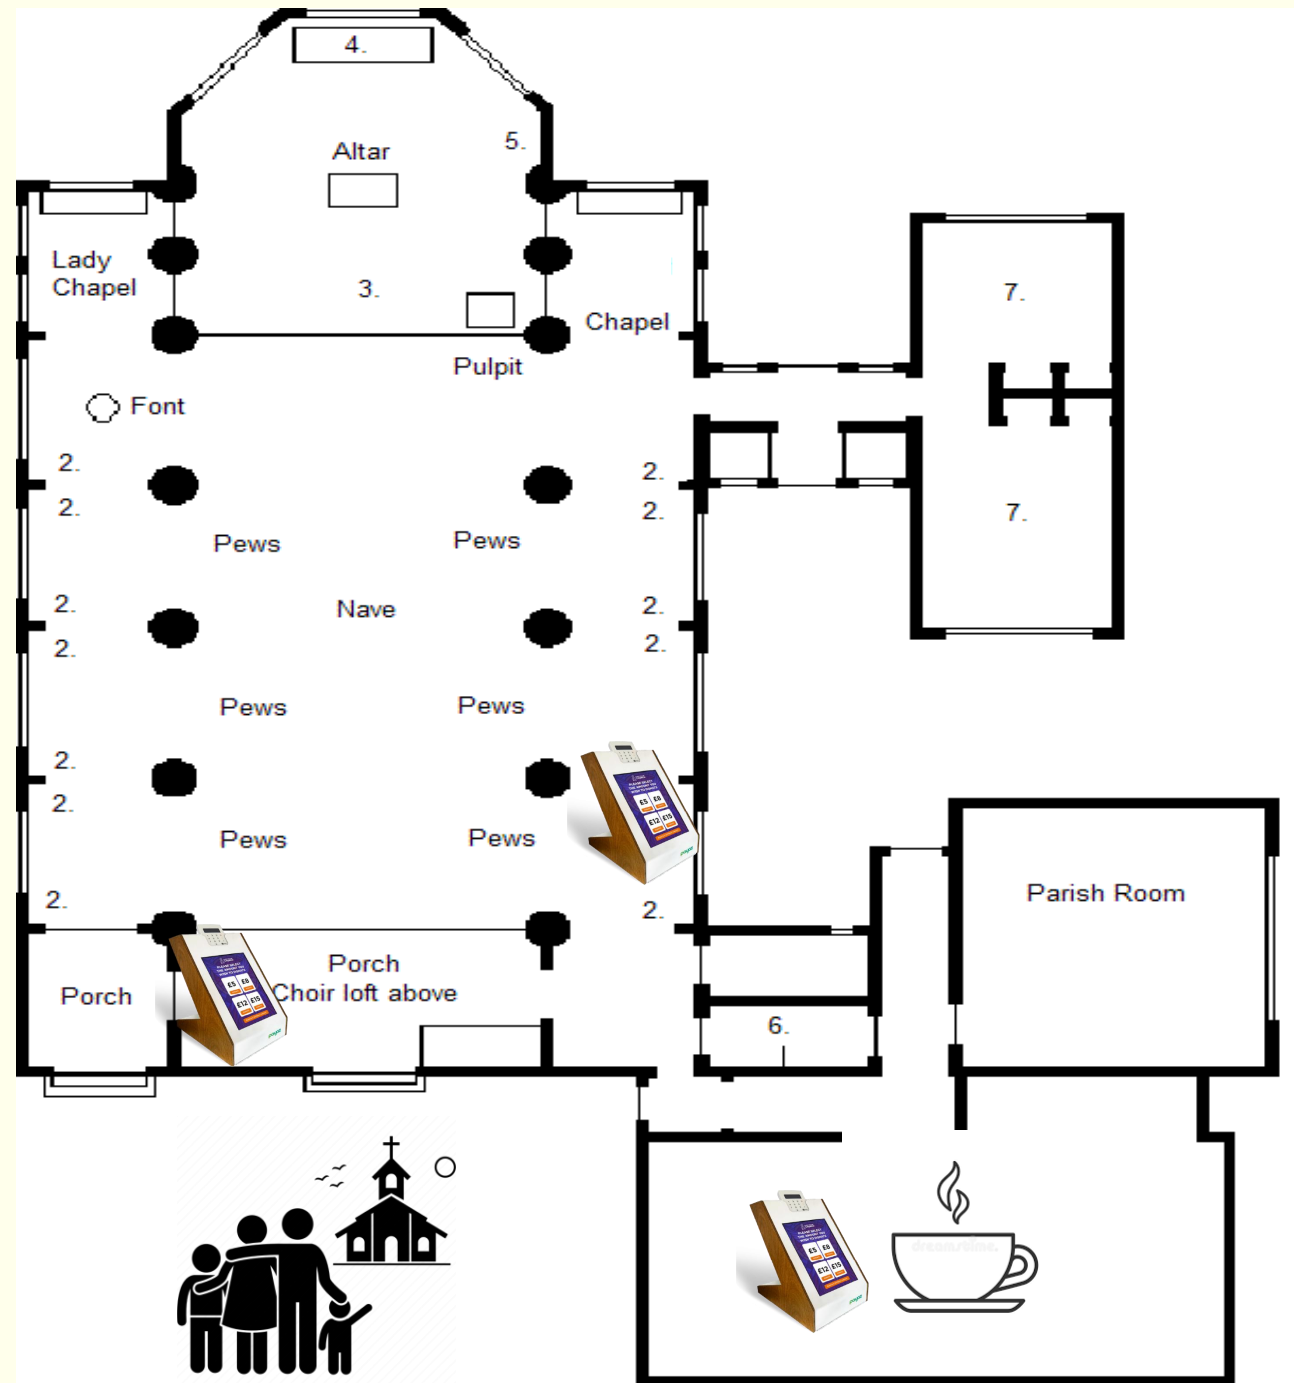

**Location?** (Entrance/coffee point?)

**Visual?** (Decorate your device?)

**Manned/unmanned?**  
(children or young people assisting?  
Volunteers?)

**Will you move it?** (One church  
turned the device round during the  
service, so facing people as they came  
in; facing people as they came out)

(or your location  
may just depend on where you have wifi  
or mobile)

Diocese in Europe  
6 April at 11:26  
So good to see the Giving Stations in place. Phase 2 will be announced

Anglican Church Athens Greece  
6 April at 15:09  
We are thrilled with our new 'GivingStation' that allows us to receive donations!  
We are hugely grateful to the Diocese in Europe and to the Church of England's Giving Team for making this possible.

- I would recommend lowest amount = lowest note value
- 4 or 6 options seem to work
- Always include the 'Choose your own amount' option!

# #2 Online giving, QR codes & links

Chaplaincies are using different platforms for different reasons eg familiarity with a local brand, tax receipts etc. Chaplaincies are free to choose what works for them. **The Give A Little/SumUp option is easier for some as it is one system for both contactless and online giving...** (Also aware that some countries have banking apps, such as Twint in Switzerland.)

# Christmas test

This campaign will be available across app and web.

[Delete](#) [Share](#) [Unpublish](#)

Template	Magic
<b>Campaign</b>	
Name	Christmas test <a href="#">Change</a>
Code	<a href="#">Change</a>
Custom URL path	<a href="#">Change</a>
Image	AA.jpg <a href="#">Change</a>
Logo	Diocese_in_Europe_Logo_CMYK_Horizontal(1)_( <a href="#">Change</a> )
Message	Please support us! <a href="#">Change</a>
Primary colour	#5175E4 <a href="#">Change</a>

The screenshot shows the 'Christmas test' campaign page. At the top, there's a navigation bar with 'Overview', 'Reports', 'Campaigns' (highlighted), 'Donors', 'Devices', 'Supporters', and 'Account'. Below this is a breadcrumb trail 'All campaigns'. The main heading is 'Christmas test', followed by the note 'This campaign will be available across app and web.' To the right of the heading are three buttons: 'Delete' (red), 'Share' (blue), and 'Unpublish' (blue). A red circle highlights the 'Share' button, and a red arrow points from it towards the top right corner. Below the buttons is a table with campaign details. The first row shows 'Template' as 'Magic'. The second row is a section header 'Campaign'. Subsequent rows show fields like 'Name' (Christmas test), 'Code', 'Custom URL path', 'Image' (AA.jpg), 'Logo' (Diocese\_in\_Europe\_Logo\_CMYK\_Horizontal(1)\_()), 'Message' (Please support us!), and 'Primary colour' (#5175E4), each with a 'Change' link. On the right side, there's a preview card for the campaign. It features a photo of lit candles and Christmas ornaments. Below the photo is the Diocese in Europe logo and the text 'Please support us!'. At the bottom of the preview card is a donation amount selector with options for £20, £40, £60, and '+ Other'.

**It's easy to create a QR code through Give A Little:** Log into your Give A Little account, create a WEB campaign (the 'basic' template is fine), then 'share' to get your QR code. [Instructions here.](#)

# Creating a QR code just through SumUp (and PayPal)

If you have just a small SumUp device eg SumUp Solo – or use PayPal...

- To create a SumUp QR code for accepting payments, you'll need to download the **SumUp app to your Smartphone or laptop**.
- Navigate down the home menu to the "QR Codes" section, then tap "Create QR code". Give it a name and description, and choose to allow people to enter the amount (not 'fix price').
- After saving, you can click on the 'three dots' and share or print the QR code.

# Creating donation amounts through a SumUp Solo device

- **Most chaplaincies just leave the screen as a free choice.**
- But you can set the device to show up to four amounts, which may be useful for e.g. event tickets.
- Click on the arrow on the screen and select 'payment options' then 'fixed prices' and input your amounts. Ensure the button next to 'set and charge fixed amounts' is on. Press the main arrow to go back to the home screen – and the amounts should be displayed. (Note: if someone wants to give a different amount, they need to click on 'keypad' – not obvious!)
- To exit fixed amounts, click on the arrow at the top of the screen, go back into fixed prices and switch the button next to 'set and charge fixed prices' is turned off.

# Giving via A Church Near You

## Brno Anglican Church

### YOU'RE WELCOME HERE

Welcome.

We are a young and growing international community committed to creating a caring and hospitable space to share life, grow in faith and serve our city in the name of Jesus.

We are also a diverse community with people from many nations and social backgrounds – students from Brno's many universities, Masaryk, Mendel and VUT, international workers, families, and long-term residents too.

So, if you're new to the city and looking for a spiritual home away from home, are Anglican or non-Anglican, are returning to church after a while or have questions and want to explore the Christian faith for the first time, you'd be welcome here.

# Create a donation button on your 'A Church Near You' page (linking to your online giving page)

There is a video on how to do this here: [Add a donate / online giving button on your church homepage – AChurchNearYou](#)

It is easy to set up (the **church administrator** or whoever is the editor for your A Church Near You page can do this)

## PLEASE READ as Europe is different

- You will be given two options 1) Connect to Give A Little and 2) Use a Custom Donation URL
- **CHOOSE THE SECOND OPTION ('Custom Donation URL')\*** whether you have online giving set up with Give A Little or any another provider.
- Copy and paste the URL of your online giving page into the box when asked.

## \*So why can't we use 'Connect to Give A Little' here?

Because it can't cope with different currencies!  
Donation amounts appear as £ Sterling on your A Church Near You page, but if someone clicks on **£10** then it automatically converts to eg **10 Danish Kroner** for St Alban's Copenhagen (which is worth £1.16. 'Ouch'!!!)

# Christmas branding

**CHURCH NAME HERE**

This festive season, we would be so grateful if you could make a donation for the life and work of our church.

Simply scan the QR code with your smartphone and follow the link.

Thank you for all you are able to give.

**Thank you for visiting us**

May you find peace and hope in this special place of worship at Christmas

CHURCH NAME HERE

This festive season, we would be so grateful if you could make a donation for the life and work of our church.

Simply scan the QR code with your smartphone and follow the link.

Thank you for all you are able to give.

## How to make a contactless donation

Select an amount on screen or choose your own.

When prompted, hold your card or smart phone/watch\* on the card reader at the top of the device to make your donation. To use chip and pin, insert your card in to the top of the reader.

Wait for the 'beep' and on-screen confirmation that your donation has been successfully processed.

Your donation is safe and secure. Our device is part of the Church of England's Digital Giving Rollout programme.

Thank you for your gift.

Digital Giving

\*Donations can be made with most major international debit and credit cards, as well as Google Pay and Apple Pay.

You can now give your offering using any of these cards, your phone or smart watch

like to make a donation to our work, please scan our QR  
code with your mobile phone, use our card reader device  
or make a cash donation.

# Communications:

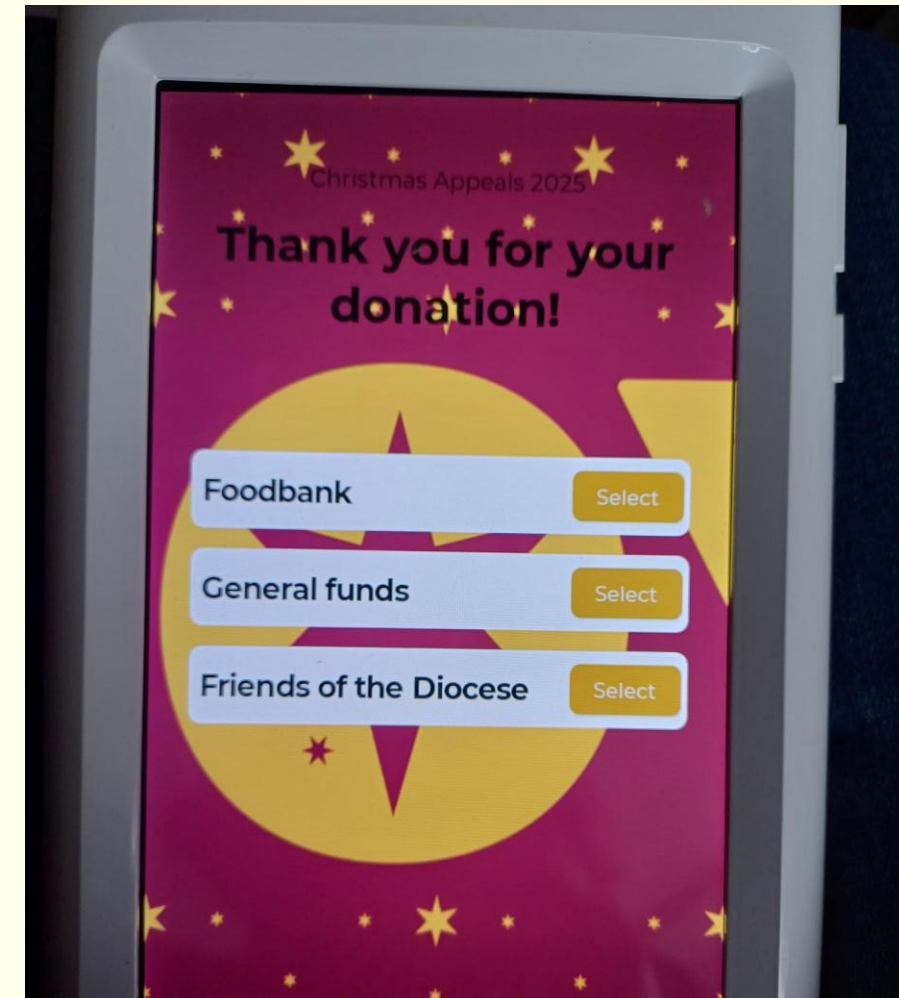

- **Biblical generosity**
- **Visitor quotes**
- **Interview someone**
- **Show a video**

# Church and/or charity...?

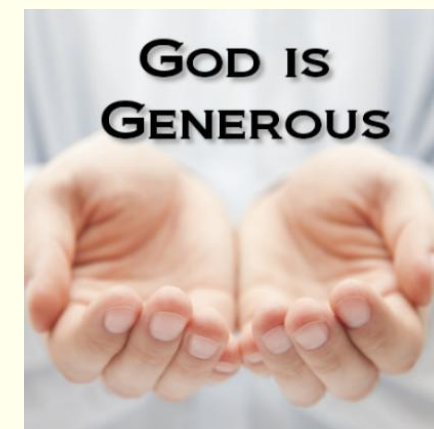

- You can create a list...
- '50/50' split may be easier?
- Gift envelopes on a Christmas tree?

# Communications...

- A conversation with the church leadership team...
- What giving 'mechanisms' are we going to offer?
- Are we going to do something different from normal? (Posters, Christmas screen branding. QR code in service sheets?) What are the deadlines for finalising things?
- How are we going to announce the 'offering' or 'donation' moment? Agree wording ('need' and 'how')
- What's the balance of giving vs other communications?
- Are we raising money for the church and/or charity?
- Wider messages?

Next Steps?  
'Just one thing'
