Together, we unite in prayer

This diary has been compiled to guide us prayers across all aspects of our diocesan life. We encourage you to look at ways of keeping informed about individual chaplaincies for more detailed prayer, there are some suggested ways to do that on the diocesan website:

Using the Prayer Diary

The Prayer Diary is cyclical in nature. Daily on a Monday to Friday, we focus on a chaplaincy and if appropriate their congregations. On a Saturday and Sunday, we focus on all those we journey with, such as Diocesan clergy, staff, all in our communities, our partnerships and key relationships across the diocese.

Would you like to have this Prayer Diary on the Go?

We also have a dedicated channel on an app called PrayerMate, which is designed to enable you to have easy access to the Prayer Diary. Each day, the allocated prayer will appear in the app. It's free to use, simply click on the logo or QR code below, search for the Diocese in Europe and follow us:
